

Building capacities for innovation in
the eco-social entrepreneurship education

Izgradnja kapaciteta za inovacije u obrazovanju
za eko-socijalno preduzetništvo

*Over the last year, our team has accomplished so much together.
We want to thank each of you for following our results and wish
you happy holidays and wonderful New Year.*

BC4ESE INFO DAY IN BOSNIA AND HERZEGOVINA

Local Development Agency Prozor-Rama organized the event as an info day with the presentation of the results so far: O1 Interactive E-book “Eco-social entrepreneurship analysis: needs, obstacles and good practices”, O2 Educational production e-book “Gamified eco entrepreneurship education”, and briefly O3 Interactive web platform Eco-SE-E-lab; through PowerPoint presentations, presentation of example of local eco-social enterprise, playback of video interviews, and playing games in groups.

BC4ESE INFO DAY IN MONTENEGRO

The Center for Vocational Education organized on October 16, 2023 the INFO DAY of the Project "Building capacities for innovations in education for eco-social entrepreneurship" (BC4ESE), financed by the European Union through the Erasmus + program. During the program were presented information and results achieved within the project by the secondary school teachers vocational and mixed schools, representatives of the non-governmental organizations involved with the training in the field of entrepreneurship and representatives of the Center for Vocational Education.

The BC4ESE project is co-financed by the ERASMUS+ programme of the European Union and will be implemented from January 2022 to January 2025. This publication reflects the views of the authors and the European Commission cannot be held responsible for any use which may be made of the information contained therein (Project Call: ERASMUS-YOUTH-2021-CB, Project no: 10105201)

BC4ESE 4TH TRANSNATIONAL MEETING

The 4th transnational meeting of organizations involved in the implementation of the project BC4ESE “Eco-social entrepreneurship” was held on September 14 and 15 2023 in Nicosia (Cyprus). During the two-day meeting in the premises of HUB Nicosia through numerous presentations of project activities the project participants had the opportunity to exchange mutual experiences, to get acquainted with the all realized activities of the project participants and with many other activities that will be implemented in the following period in accordance with the defined project activities. At the meeting were also presented the results of the second activity of the E-book educational production project “Gamified Eco-Entrepreneurship Education”.

The BC4ESE project is co-financed by the ERASMUS+ programme of the European Union and will be implemented from January 2022 to January 2025.
